Note: Not all products may be available in all regions of the world.

WD's Passport® provides high-performance portable storage for your PC and Mac®. Light and rugged, it's easy to carry and no external power adapter is needed*. Comes with sync & encryption and Google™ software.

Product Features

Easy – Installation is a snap because you don't really "install" this drive; you just plug it in and it's ready to use. There is no CD to install; the included software loads from the drive the first time you plug it in.

Smart – Powered by the USB bus. No separate power supply is needed.*

Ultra-portable – This ultra-portable drive fits easily in your pocket or purse, weighs only a few ounces, and holds tons of valuable data.

Synchronized and Secure – WD Sync™ synchronization and encryption software lets you save your critical data and take it with you. Plug your drive into any notebook, PC, or Mac to edit files, read e-mail, and view photos. Then sync all of your changes back to your home or office computer (*Windows only*).

Includes Google Software – Search your drive, manage your photos, and simplify Web searches with included Google software (*Windows only*).

Compatible – Use with Windows® and Macintosh® computers.

**An optional cable is available for the few systems that limit bus power.*

Applications

- Carry important files and e-mail between work and home or on the road
- Share large files between office and home, between PC and Mac
- Back up your existing notebook, PC, or Mac hard drive for extra data safety

Compatibility

Windows

- Available USB port
- Windows 2000/XP/Vista

Macintosh

- Available USB port
- Mac OS X 10.1.5 or later

Note: Compatibility may vary depending on user's hardware configuration and operating system.

Limited Warranty⁴

Pan America	3 year
EMEA	2 years
Asia Pacific	3 years

¹A USB 2.0 host and USB 2.0 certified cable are required to obtain Hi-Speed USB performance.

²WD hard drive products manufactured and sold worldwide after June 1, 2006, meet or exceed Restriction of Hazardous Substances (RoHS) compliance requirements as mandated by the European Union for electrical and electronic products. The RoHS Directive 2002/95/EC of the European Parliament, which is effective in the EU beginning July 1, 2006, aims to protect human health and the environment by restricting the use of certain hazardous substances in new equipment, and consists of restrictions on lead, mercury, cadmium, and other substances.

³One gigabyte (GB) = one billion bytes. One terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment.

⁴The term of the limited warranty depends on the country in which the Product was purchased. The term of the limited warranty is for 3 years in the North, South, and Central America region; 2 years in the Europe, the Middle East, and Africa region; and 3 years in the Asia Pacific region, unless otherwise required by law. Visit our website at support.wdc.com/warranty/policy.asp for the detailed terms and conditions of our limited warranty and for a list of the specific countries in these regions.
